Old Business: *** The GMRPC NRA affiliated Competitive Pistol League has finished its 1st season with 21 club members participating in the league. With an entry fee of \$20.00 per shooter, the club received \$420.00 in miscellaneous income. Nightly match fees netted \$1,112.00 for prizes, awards and league banquet expenses. ***On the matter of the clubs air handling system. Two quotes were provided by Chris Sills of D.A. Dodd and they were higher than expected. The first quote is for a "vertical" style unit with a cost of \$46,700 and the second quote came in at \$42,342 which is for a horizontal style unit which is slightly cheaper. Keep in mind that the quotes did not put anything in there for any electrical so if we were to move forward with this project we would need to get an electrician. No action was taken at this time.

New Business: ***A motion was entered, seconded and approved by the members in attendance to forgo the July monthly meeting due to a historic low attendance and the fact that the majority of the board members will not be able to attend. Therefore following the regularly scheduled meeting on Monday June 3rd, the next scheduled meeting would be Monday Aug 5th beginning at 7:30 p.m. ***Our Club Cleanup (Spring Cleaning) event has been schedule for Saturday June 8th from 8:00 a.m. – 12:00 p.m. members are encouraged to help out in any way possible, even if it is only for an hour.
